§ 01 Four practices

- **Bid Pursuit & Strategic Teaming** · proposed prime, subcontractor, systems integrator or teaming roles; eligibility and scope assessed per procurement
- **Consulting & AI Advisory** · workflow review, implementation guidance and ongoing AI advisory; implementation responsibilities agreed separately
- **Managed Services** · cybersecurity, cloud, managed IT, staffing, custom software · coverage and staffing scoped per engagement
- **Software products** · Winrove for government contracting, OpsTicket for skills and assessment-led recruiting, ClaimKeel for healthcare RCM in development. Access confirmed per release.

Services are scoped to the engagement. Winrove and OpsTicket have distinct purposes, access and terms; ClaimKeel is in development on synthetic data. Public sites and live code do not establish complete operational acceptance. Intelligence reports offer further decision support.

§ 02 Differentiators

- Founder-owned, with a named accountable principal for each engagement.
- NYC MBE recorded through 2027-05-31 · NMSDC recorded through 2027-06-30 · SBA 8(a) application submitted, decision pending; participant status not held
- E-Verify enrollment and SAM.gov registration do not establish contract-specific eligibility
- Winrove software development is separate from third-party client past performance
- TD SYNNEX authorized Public Sector reseller · Cisco Registered Partner · Dell commercial reseller authorization only. Microsoft Partner Center profile verified; no Solutions Partner, CSP or competency designation is claimed
